

Nangwarry Preschool Newsletter Week 8 Term 2

Our trip to Echo Farm has been finalized. You should now have your permission note to sign return as soon as possible. Reception/Year One will be coming with us as well.

This trip to the farm has so many links to our learning this term. Gardening and cooking have been a big focus and we have been reading lots of great fiction and non fiction books related to these themes. After reading 'Belinda the Cow' the children were keen to learn more about cows, and showed great interest and curiosity in milking and milk products. We found a great factual text on cows and we even made our own butter. We have also been talking about the differences between city and country living, and singing songs about farms as well.

Linda Hay from Echo Farm is very excited to

have our group visit. If you would like to accompany us we have room for 4 adult helpers. Let me know if you would like to come.

Japanese Lessons

We have started Japanese lessons with Mrs Marlow! Last week we learnt greetings and farewells and the names of body parts through song. Research shows that learning a second language actually improves children's first language development

REMINDER

With all this wet weather, please remember to pack extra spare clothes in a PLASTIC BAG, and if you have some of the kindy clothes can you please return them, we are running very low on supplies!

Yours in Education and Care, Helen Wood
