

# NANGWARRY PRIMARY SCHOOL

August 10th 2023

Week 3 Term 3

A: Whitford Crescent Nangwarry SA 5277 | T: 08 8739 7241 | F: 08 8739 7292 | E:dl.0592.info@schools.sa.edu.au | W: www.nangwaryps.sa.edu.au

## FROM THE PRINCIPAL

Welcome Back!

It has been wonderful to see all our students refreshed and enthused to get into Term 3's learning.

### School upgrades

- Over the holidays our front office renovations were completed. If you haven't had a chance to see them, pop in and say hi and take a look – it looks great!
- At the end of next month our new library and multipurpose room was to be developed in building 2. We have just received advice that building 2 will need considerable work, if not replacing as a result of a mould issue. Currently this building is not to be used whilst we await further advice.
- Dion our groundsman has been doing an awesome job with the schools beautification program, with a large number of plants being established in key areas around the school which not only look great, but will help out with cooling our school in the warmer months of summer.

### Bus service

To support the region and our current enrolment at Nangwarry Primary and Pre-school, the Governing Council this week approved the purchase of a bus. This service will pick up and drop off our students who live in Tarpeena, Kalangadoo and Penola; guaranteeing equity and inclusion for all. We anticipate that this service will begin in approximately 3 weeks time. As this is not a government run school bus and is offered by the Nangwarry Primary & Pre-school Governing Council, parents and caregivers with school age children who would like to access this service to attend Nangwarry Primary & pre-school are not required to seek permission to bypass their local school. If you or anyone you know who would like to access this free service to Nangwarry Primary and Pre-school please contact the front office directly to book your child's seat. Key details about drop off and pick up times will be provided shortly.

### Learning

This week you would have received your child's classroom curriculum letter which outlines key learning for the Term. In the coming days you will receive a post on SeeSaw which outlines our student goal setting processes and expectations. If you have specific questions about your child's goal setting, please reach out to their classroom teacher.

### IMPORTANT DATES

#### Week 5

Tuesday 22nd August Book Week Parade

Friday 25th August Bunnings workshop visit

#### Week 8

Friday 15th September Pupil Free Day

#### Week 10

[dl.0592.info@schools.sa.edu.au](mailto:dl.0592.info@schools.sa.edu.au)

## Book week

Book Week is nearly upon us again! This year it will be celebrated from August 19th to 25th with the theme; Read, Grow, Inspire. For those who wish to dress up, we will be having our Book week Parade on Tuesday the 22nd August at 9:00AM. Please remember that Book Week is about celebrating books and reading and that there is no expectation to purchase a costume. Homemade ones are just as effective!

## Pie drive

### 2023 Pick Avenue Pie Drive Fundraiser

Our Governing Council have organised a fundraiser selling pies. Staff and families have got order forms, feel free to contact the school directly also if you would like to place an order (payment can be made with cash or EFT).

EFT Details Nangwarry Primary School  
BSB: 065 504

Acc: 10025020

Please use your surname as a reference.

Pie are \$12.50 each.

Orders are due in by Wednesday August 16th (Term 3, Week 4)

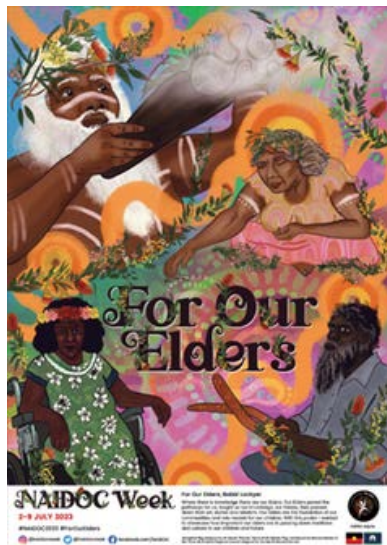

and will be available for collection on Friday September 1st (Term 3, Week 6).

We would love your support!

# UPPER PRIMARY

## NAIDOC WEEK

### Learning Intention

We are learning about the importance of NAIDOC Week in Australia and what it means to celebrate.

### Success Criteria

I can discuss the importance of the theme 'For our Elders'.

I can research and explore the Indigenous Map of Australia.

I can review videos about honouring our Elders and discuss the importance.

I can write the language and Nation or Clan groups that these seven young people are from and locate these on a map.

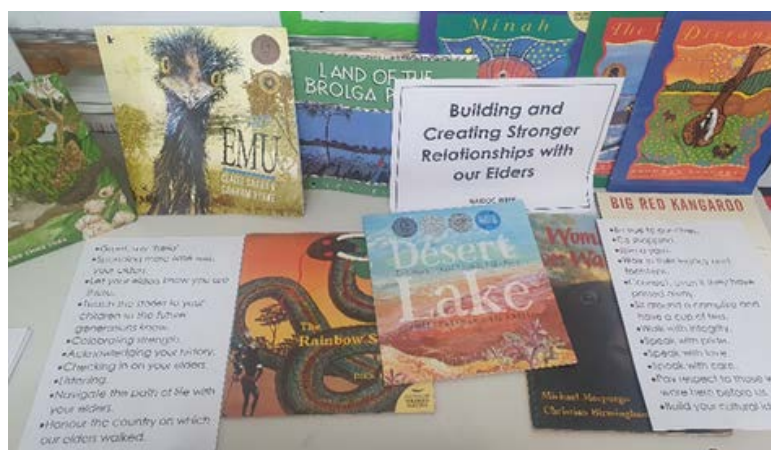

I can research one of the Elders mentioned in the videos.

**Learning Context:** During NAIDOC week Upper Primary students learnt about the importance of celebrating and recognizing the culture, history and celebrating the achievements of Torres Strait Islander peoples.

Students looked at the AIATSIS Map of Indigenous Australia and researched what land we live upon. Students double checked the source of information by researching the local government and confirming that we live on Boandik country.

Students then participated in watching and discussing young First Nations people videos whereby discussion was had about building and creating stronger relationships with our elders.

Students created a poster of the words and phrases from the videos and designed a learning wall of our discussion.

# JUNIOR PRIMARY

## JAPANESE

### Learning Intention:

We are learning about Japanese words for Nature.

### Success Criteria:

I can collect nature pieces and design an art piece.

I can show demonstrate my Japanese Knowledge writing Japanese colours and labelling my nature art.

### Task:

Students had to find some items from nature and create a nature art piece. They then needed to label the pictures with the colours and things used in Japanese. They had a tablemat to use to help them with their spelling of these words.

# WHOLE SCHOOL

---

## EXCURSION

### Excursion – Blue Lake Aquifer Tour

#### Learning Intention:

To understand that water is an important natural resource.

#### Success Criteria:

I can discuss the importance of water and how to sustain water for future generations.

**Learning Context:** During our excursion, students went on a Blue Lake Aquifer Tour and learnt about the importance of the water catchments in Mount Gambier. Students learnt about the history of the Blue Lake and looked at photos from the past.

### Excursion - Bunnings Workshop

#### Learning Intention:

To apply understanding of sustainability in a workshop, using recycled materials.

#### Success Criteria:

I can record a sentence using the word sustainability.

I can discuss how we can recycle and be sustainable at home.

I can design and create sustainable products from recycled goods.

#### Learning Context:

Students learnt that sustainability is about small changes we can make to look after our planet. Students made and decorated recycled milk cartons and planted lettuce. Students also made wind chimes out of recycled metal keys.

# SPECIALISED SUBJECTS

## SCIENCE & TECHNOLOGY

### Junior Primary

#### Learning Intention:

To identify heat and light energy.  
To explore light from different sources.  
To investigate how light travels in a straight line.

#### Success Criteria:

I can identify heat and light as a source of energy from various sources.  
I can conduct an experiment to show how heat changes a product.  
I can conduct an experiment to show how light travels in a straight line.

#### In the classroom:

The Junior Primary Students have been investigating different forms of heat and light energy. They conducted an experiment to show the changes to a corn kernel once heated. We have also been lucky enough to enjoy some sunshine and spend some time weeding our vegetable garden in preparation for our new plants to be planted.

# SPECIALISED SUBJECTS

## SCIENCE & TECHNOLOGY

### Upper Primary

#### Learning Intention:

To investigate how light travels in a straight line.

To investigate how objects move from a push or pull force.

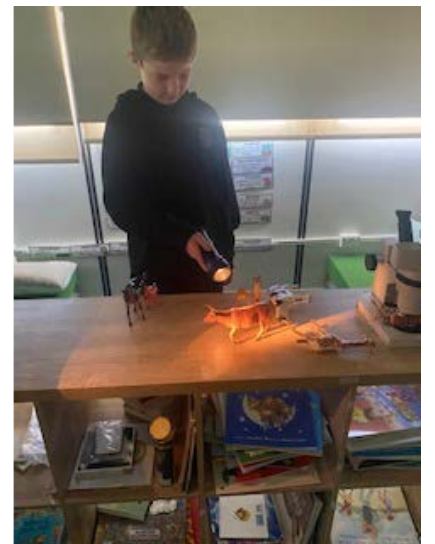

#### Success Criteria:

I can conduct an experiment to show how light travels in a straight line.

I can identify that friction is a contact force to slow things down.

#### In the classroom:

Students investigated the influence of friction on moving objects. They identified friction is a contact force that slows things down and applied this to everyday activities eg, sliding down a waterslide.

**Learning Context:**

Preschool students have been reading "Giraffes Can't Dance" by Giles Andrea and have been learning new vocabulary words with the help of the Pre-Literacy Curriculum. We have been expanding on these at the numeracy table by using magnetic letters and then discussing how three-letter words can change when exchanging one letter at a time.

**Learning Intention:**

We are reading and learning about vocabulary and their meanings through books and from the Vocabulary Wall.

**Success Criteria:**

- I can understand the meaning of words from texts.
- I can act out dramatic play scenes from story books.
- I can collect sort and organise data.
- I can create texts for a range of purposes.

Pictures above showcase our story table, Numeracy table and small-group learning.

**Learning Context:**

Students have been using the doctor's kit to role-play with. The Kimochi's Way program helps build knowledge on how to help our peers when they are hurt.

**Learning Intention:**

We are learning about how we can support each other using role-playing with the doctor's kit and concepts from Kimochi's Way.

**Success Criteria:**

I can represent ideas in multiple ways.

I can use my oral language skills to act out scenarios.

I can choose and use the appropriate tool and strategy for a positive outcome.

Pictures above showcase our learning with Kiara.

# COMMUNITY NEWS

Hey

## **We like your style!!**

The Federal Baseball Club is recruiting for the upcoming summer season of Baseball, and we think you'd fit right in!

If you'd like to play a fast-paced summer sport on Saturday afternoons that only takes a couple of hours, with multiple batting opportunities and brief sessions in the field... then Baseball with the Feds could be right for you!

Federal Baseball Club are holding come and try / pre-season light training days until the start of season on Sunday afternoons from 27<sup>th</sup> August 2023, at Blue Lake Sports Park on Diamond 5, from 2pm until around 3:30pm.

If Baseball with the Feds is for you - then ask your parents to read this information and to contact us via our website, our junior development officer, our coaches, or our club president.

## **Additional information for parents:**

Federal Baseball Club is recruiting for Junior Players (turning 8-18) and Senior Players of all abilities. Federals have a strong focus on Junior Development, building skills, teamwork, making new friends and having fun!

Mount Gambier & Districts Baseball League Season starts around Saturday 7<sup>th</sup> October, and carries on through March. Junior games take around 80-90 minutes, plus a pre-game warm-up.

Training for all Federal Baseball Teams will be held on Monday afternoons at Blue Lake Sports Park, and games are usually played on Saturday late morning to afternoons.

Junior equipment and playing top are issued to players for the whole season upon providing a security deposit. Purchase your own cap, socks, groin protection and baseball pants. Alternatively find pants and various equipment in our Buy, Swap, Sell group on the website. Junior players may be eligible for \$100 Sports Voucher from the State Government, for students up to Year 9.

For further information and to register, please see our website:

[www.federalbaseballclub.com.au](http://www.federalbaseballclub.com.au)

Or contact our Junior Development / Committee Officers:

Jeremy Butler on 0405 539 599 / [yajincognito@gmail.com](mailto:yajincognito@gmail.com)

Jud Wheatley on 0407 313 335 / [jud@debruingroup.com.au](mailto:jud@debruingroup.com.au)

Thank-you!

**Beachport Film Society Monthly Movie - OLGA @ 7:30pm**  
Olga is a teenage Ukrainian gymnast who's living in exile in Switzerland, dreaming of Olympic gold and trying to fit in with her new team. As she prepares for the European Championships, the Ukrainian people rise up in what becomes known as the Maidan Revolution, suddenly involving everyone she cares about. Held on the fourth Friday of every month. Non-members welcome to join, \$14.00 per film.
